Dear Kentucky Medicaid Provider:

HP Enterprise Services, in conjunction with the Kentucky Department for Medicaid Services, would like to invite you to join us for our Spring Seminar. This seminar is designed to offer providers instruction and assistance with billing claims to Kentucky Medicaid. Each session will provide a comprehensive reference listing, KyHealth Net instruction, information on upcoming 5010 changes, and a Question and Answer session. Further, these sessions will include presentations by the Regional Nurse Consultants. They will discuss the KenPAC program and provide Pharmacy updates in the relevant sessions.

The sessions will be organized according to specific provider types. If you have obtained a new Kentucky Medicaid provider number that begins with a 71, please refer to your provider type.

Morning sessions will begin promptly at 9:00 a.m. The session should conclude no later than 11:00 a.m. The afternoon session will begin at 1:30 p.m. and should conclude by 3:30 p.m. The following pages will provide you with specific session times and dates.

**Attendees are required to print the workshop packet materials. These materials will be available beginning March 28, 2011, on the [www.kymmis.com](http://www.kymmis.com) website under the Provider Relations\Workshop heading. Workshop materials will not be provided at the workshop site.**
