**Fall Provider Seminars Introducing Electronic Prior Authorization**

Please join HP Enterprise Services, SHPS, and DMS this fall during our semi-annual provider seminars to learn about the new electronic prior authorization (PA) system that will soon be available to Kentucky Medicaid providers. Providers will be able to see this new interactive web-based PA tool and ask questions regarding the system and process. Additionally, each session will include a comprehensive reference listing, forms and websites related to the Medicaid prior authorization and claims processes.

Morning sessions begin promptly at 9:00 am and conclude by 11:00 am. Afternoon sessions begin at 1:30 pm and conclude by 3:30 pm. Please refer to the following pages to see what time your session will be held. If you have obtained a new Kentucky Medicaid provider number that begins with a 71, please refer to your provider type.

**All attendees are required to print workshop packet materials. The packet materials and driving directions will be available beginning July 26, 2010, on the [www.kymmis.com](http://www.kymmis.com) website under the Provider Relations\Workshop heading. Please note: Workshop materials will not be provided at the workshop site.**

Please email your date/time selection to: [KYMMISProviderRSVP@hp.com](mailto:KYMMISProviderRSVP@hp.com) ; or complete the enclosed form and fax it to (502) 209-3246. \*Note: the email address is case-sensitive.

Your prompt response is appreciated; as we anticipate a large number of providers in attendance and want to be sure we can accommodate everyone. Contact Provider Inquiry at 800-807-1232 if you have additional questions. Please do not contact the workshop facilities with questions or for directions.
